

HOME GROWN

WORSHIP PROJECT

ALL IN

EXODUS 3:1-5, LUKE 19:1-10

Falling on my knees
Getting closer to the dirt from which I was gathered
It's a habit, when I'm face to face with glory

I turn aside
Not too hurried to notice when I hear you calling
Drawing me to intimacy

**I'm all in - nothing hidden from Your sight
You call my name - You see me in the crowd
I'm breathing in Your grace, and shouting out Your praise**

You lift my head
Weighed down by burdens too heavy to carry
And You ask me to let them go

*You incline - further than my heart could bow
Further than my darkest hour
You cover me - clothe me in Your righteousness
When I'm a mess, I'm thankful that You take me as I am*

JOY

PSALM 23, 118:24, PSALM 30:5, ISAIAH 61:3

My heart's full of gratitude - I'll sing Your praises loud
You broke the chains that held me down
Your love and goodness are following me every single day
You are the light that leads me on

**Joy, joy - all day long I'll be singing
No matter what I'm facing, it's Your name I'm praising
Filled to overflowing - joy!**

All the good that I hold in my hand is a gift you've given me
But the greatest gift is knowing You
In Your Presence is fullness of joy
It's a well that won't run dry
I'll run in Your strength for all my life

**Joy, joy all day long I'll be singing
No matter what I'm facing, it's Your name I'm praising
Filled to overflowing
Joy, joy, raining down like a waterfall
This is the day you created - I'll fill it with praises
Filled to overflowing - joy!**

*Sometimes the storm comes, and it'll make my vision blurred
But Your Word is the anchor for my soul
Tears come in the night sometimes
But with the daylight comes new grace
When my feet are weary teach them how to prophesy in dance*

THANK YOU

PSALM 18, PSALM 91:4

Faithful to all generations
Your word is the anchor that holds
When death and disease rise against me
I find shelter in Your arms of love
You don't grow weary – You watch over me
I'm safe in the fire – I'm pulled from the sea

Thank You, thank You, thank You, Jesus
Thank You, my Refuge, thank You, Jesus

Though I doubt You, You never desert me
Though I question, Your love still remains
You are there when my senses betray me
As You've been You forever will be
You draw me closer when I stumble and fall
You rush to my rescue, before I call

Thank You in the battle, thank You in peace
Thank You for deliverance from my enemies
Thank You for protection from things I don't see
Thank You for Your hand on me

HALLOWED BE YOUR NAME

MATTHEW 6:9-13

Our Father in heaven - Your Kingdom reign in all the earth
Your will be done, set all things right
We humbly ask for grace – grace to last the day

Hallowed be Your Name, Hallowed be Your Name
Hallowed be Your Name in all the earth
Hallowed be Your Name, Hallowed be Your Name
Hallowed be Your Name in all the earth

Have mercy, forgive us - for all our sins that break Your heart
And teach us also to forgive
Keep us safe from evil, lead us in Your way

*The kingdom, the power, the glory is Yours
Forever, and ever, and ever Amen
Kia tapu too Ingoa, ake tonu
Te kaha, te kororia, Aamine*

UNDER THE SHADOW

PSALM 18, PSALM 91:4

When I'm weary, when I'm weak
When my bones are aching and I need Your remedy
When I'm desperate, when I'm on the ropes
When I feel alone and I don't know where to go
You are closer than I know

Under the shadow of Your wings You shelter me
You cover me
When I am overwhelmed and chaos reigns
You rescue me
Deliver me

When I'm fearful, when I just can't sleep
When anxiety has got the upper hand on me
You are closer than I know, You are closer than I know

You find me in the struggle, You find me in my pain,
You hear my cry and You come running
Your thunder shatters mountains
Your breath holds back the sea
You pull me out of deepest waters
My Shield, my Rock, my Refuge, A Mighty Fortress still
You turn my darkness into light again – I'll testify again

PRINCE OF PEACE

PSALM 139, PHIL 2:13, HABAKKUK 2:3, PSALM 46:10

Where pain runs deep, and sickness found to be
When words divide, and friends take different sides

Prince of Peace, setting the broken right
Healer of wounded hearts, reach out and wipe our tears away

Where wars are fought, and love is lost at home
When darkness looms, and death comes into view

Peace on Earth, we bring you all our hurt
Teach us to reconcile, lay down our rights and cry for
Your kingdom reign, let love light our streets again
Forgiveness and freedom long, to join all the parts as one

Kia aaioo te whenua
(Let there be peace in the land)
Kia taurikura ai oo taatou kaainga
(Let there be peace in our homes)
Kia mau ki te rongu, Ki oo tatou ngaakau
(Hold on to peace in our hearts)

Peace be still, Lord of the wind and waves
Come once again to save, let heaven kiss earth again

SIMPLE PRAYER

Find me in this moment, reaching out to You
Lifter of my head, I turn to You
It's been a while, but I'm still Your child
I'm leaning into You

To feel Your heartbeat inside me
To walk in step with You
To know Your voice clear, to draw near
This is my simple prayer

Done with all my running, I'm seated at Your feet
No more excuses, Your grace the gift I need
It's easier to hold onto You
When I come with empty hands

*I've got my guard down
Take all of me
Just like a child now
I'm coming back to You*

OPEN HANDS

Jesus I remember how You gave Your life for me
Hanging on a cross with open hands
Oh how great the sacrifice, oh how deep the pain
I could never know how much it cost
But in gratitude I bring, my whole life my everything

**Take my open hands, take my open heart
Let me be an offering that honours You each day
Take my open hands, and use them as You please
Blessed to be a blessing - I will follow where You lead**

All my days are marked by mercy, Lord these hands are full
You are always so, so good to me
Help me not to hold on to these treasures in my hands
But give just like You freely gave to me
So in gratitude I bring, My whole life my everything

*Lord give me eyes to see the need
Lead me to the lost
Break my heart for a broken world
Lead me in Your love*

SEARCH MY HEART

PSALM 139, PHIL 2:13, HABAKKUK 2:3, PSALM 46:10

Where can I run from Your presence?
Where can I hide from Your sight?
If I should sink beneath the oceans
You would find me there

So find me in ordinary places
Find me when I'm restless again
When I can't see You, remind me
You're closer than my breath

Search my heart, oh God
Know my every thought
Lead me on day by day
Search my heart, oh God

Through every season of waiting
The shadow of the promise lingers on
In the unseen, you're still working
Making all things new, You are making all things new

God of Creation - God till the end
God of the in-between
You see everything, and You hold it all
So hush, my heart, be still
Hush, my heart, be still
Be still
