

Advent reflection 11.12.23

Advent

Immanuel...

The 'witness' of God...

The Love of God
Read John 1: 1-18

Reflect...

God did not have to send His son because mankind fell, His love is more supreme and wonderful... the incarnation is less about us, but more about His desire to dwell with us, among His people.

1. How does knowing this grow our perception of and relationship with, God?
2. How can we glimpse God's love everyday, particularly in the small details we can take for granted?
3. Where can we make room for thin places with God in our daily schedules, particularly in this advent season?

Consider – God could have taken on any form to show us His love, and He came as a helpless baby...
